 Work in Public Way

 Within State Layout (Attach State Permit)

 Water or Sewer Renewal (Attach Renewal Form)

 Is any work proposed in or within 100 feet of a wetland or within
 200 feet of a stream or river? If yes applicant must file the project with
 the Northfield Conservation Commission.

The permittee shall indemnify and save harmless the Town against all loss, cost, damage or claims for damage that it may suffer on account of the creation, maintenance and existence of such obstruction, excavation, or acts done under this permit; during the progress of the work such barriers shall be erected and maintained as shall be necessary for the protection of the traveling public; that the same shall be properly lighted at night; that the highway shall be left in as good order and condition as the same now is. No advertising matter shall be posted on any barriers.

STREET CLOSINGS: 2 way traffic shall be maintained at all times. If this is not possible the Northfield DPW must be notified at least 24 hours prior to road closings due to construction. The Contractor shall be responsible for providing a uniformed traffic officer as required.

NO EXCAVATION PERMITS will be issued until all public utilities have been notified as required by the provisions of Section 40 of Chapter 82 of the General Laws of Massachusetts as revised.

THIS DEPARTMENT DOES NOT IN ANY WAY WARRANT OR GUARANTEE accuracy of markings.

I, the undersigned permittee hereby accept the conditions and terms upon which the above permit is granted to me and save said town harmless from all loss, cost, damage of claims for damage in accordance therewith.
