# *TOWN of NORTHFIELD, MASSACHUSETTS*

## **Agricultural Commission Minutes**

September 10, 2019

---

Meeting was called to order at 7:08 p.m. Members present: Bill Llewelyn, Bill Ames, Stacy Bond, and Al Stone.

- Final bill from Lotus Graphics of \$134 for farm brochures was submitted and paid.
- Received email from Angus Reid regarding the status of AG video project. He does not have the one minute clip ready. He has a few more shots he wants to take before making final clip. It was not ready for this meeting.
- Board talked with John Root from Amherst via phone. He has a power point presentation promoting birds, butterflies and bees. He is looking for a grant from the Northfield Cultural Council to present it in Northfield. The board will send a letter to the Council to recommend this presentation.
- Jose Madiedro of Maple Street has expressed his interest in joining the board. He has a long history of farming and is presently farming with small animals and a farm stand at his home. The board will send a letter to the Selectmen recommending his appointment.
- Stacy Bond recommended the board have a float in the 2023 parade. It is a good idea and we have plenty of time to plan.
- **Next meeting will be November 12, 2019.**
- Meeting was adjourned at 8:15 p.m.

Respectively submitted,

Patricia Stone, Secretary
