

TOWN OF NORTHFIELD, MASSACHUSETTS

Agricultural Commission Minutes

September 12, 2017

Meeting was called to order at 7:08 p.m. The following members were present: Bill Ames, Stacy Bond, Bill Llewelyn, Al Stone and Jerry Wagener.

- Minutes were read and accepted.
- Bill Llewelyn and Al Stone discussed the Ridge meeting they attended in August at the Dolben Library on the Northfield campus. They distributed farm directories and barn brochures. Well received.
- Still no word on any designated space for AG materials. Another note will be sent to Willie Morales.
- *Right to Farm* sign needs to be straightened on Route 10. Also, sign coming into Northfield from the north needs to be lower. It is much too high for anyone to see if they are in regular vehicle.
- Discussion on updating the farm directory. Need a Northfield State Forest category? Will have to explore the different categories in more detail.
- Joan Stoia will be invited to the next meeting to discuss NATABA and the Agricultural Commissions part in their programs. Stacy Bond will be in contact with her.
- Next meeting will be November 14, 2017. Meeting was adjourned at 8:09 p.m.

Respectively submitted,

Patricia Stone, Secretary
cc: Administrative Assistant
