

Board of Health
Town of Northfield
Meeting Minutes
April 28, 2016

Meeting called to order: 5:50pm

Members Present: Flora Sadri, Tom Walker, Robert McEwen, Dave Balk, Dan Gray

Also present: Phil Baker, Brian Noble

Review of minutes: No minutes presented. Tabled until next meeting.

Old Business:

- Transfer Station: Robert McEwen and Tom Walker reviewed the transition plans for Robert to take over the duties currently held by Tom Walker. Tom Walker will continue to collaborate on the maintenance of the property based on his knowledge and current position as Head of the Highway Department.
- Pipeline Information: Tennessee Gas has suspended the project. The Board discussed the possible outcomes. There currently is no guarantee that they project will not proceed at some point in the future. Therefore the Board will continue to move forward with research gathering on the health effects of the Compressor Stations on the community, water, air and health.

New Business:

- No correspondence submitted
- No bills submitted

Title 5/Perc Tests-Permit applications:

- 225 Winchester Road- all pass
- 31 Fisher Road- all pas
- ≥ 69 Commonwealth Ave- all pass
- ≥ 94 Lucky Clapp Road- all pass

Reports:

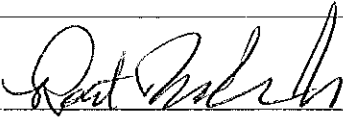

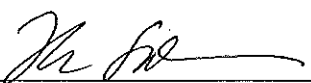

- Reviewed pumping reports

Food permit applications:

- Squakheag Village: reviewed and approved.

Meeting Adjourn- 7:15pm

Approved by the Northfield Board of Health

Submitted by Catherine Kostecki
BOH Secretary
