Citizen's Concerns:

- none

Permit Applications:

- Septic system application Bistrek – 70 Lucky Clapp Road – approved

Reports:

- Assorted septic pumping reports- reviewed

Items Not Reasonably Anticipated by the Chair within 48 Hours:

- Ruth asked about the 4 cars at the transfer station and if any investigation had been done to see if it is a hardship to residents or attendants. None of the members in attendance have noticed any inconveniences
- It was suggested that we consider using stickers for trash bags instead of special bags for the transfer station. Ask that Bob come in for a meeting in September.
- Find out who is the recycling company for plastic through out transfer station.
- Ruth asked that a list be compiled of the commercial trash collection companies operating in the area so that we can check their permit status.
- Kathy stated that at PVRs one of the restrooms had a sink that the water was not shutting off in after too long of a time. Suggested speaking to someone in maintenance about this issue.
