

Board of Health Town of Northfield  
Meeting Minutes  
January 28, 2021 via Zoom

Call to Order: 6:00 pm

Member's Present: Phil Baker, Dave Balk, Robert MacEwen, Flora Sadri, Ali Wahlstrom  
Quorum Established

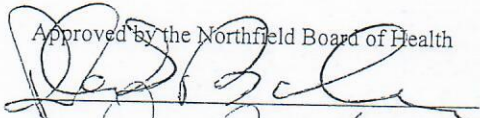

Old Business:

- 31 Old Elm Way: the Board has been contacted by the engineer wishing to schedule a Title V. Phil Baker will reach out and set a time.
- Five Point Farms- Land Use Application:
  - Bio-solids to be spread on land.
  - This has been reviewed by DEP, however DEP would like input from the BOH. County Health Agent Charlie Keneicki had reviewed application and through his experience, he has no concerns. Discussion;
  - Recommendations to DEP:
    - Someone Must be accountable
    - Landowner is responsible to notify any and all abutters within 300' of application.
    - Landowner is responsible to install and maintain property flags identifying the 300' restricted area so out of state contractors distributing will have clear boundaries.
    - Landowner is responsible to notify the BOH and any and all abutters within 300' prior to each application.

New Business:

- Northfield Water District has submitted Consumer Confidence report. This is and annual report. All compliant.
- East Northfield Water Company: report from DEP:
  - They have not done the Financial reporting they are required to do
  - DEP has found non-compliance with regulations
  - One of the supervising operators may be leaving.
  - NMH continues to distance themselves from the Ea. Northfield Water Company
  - DEP appears to be trying to protect users
    - Board will continue to monitor through DEP reporting

Approved by the Northfield Board of Health
