### **Call to Order: 3:37 pm**

### **Review and Approval of Minutes:**

- Digital minutes approval for the Dec 10th meeting. Dan Gray abstains, Thomas Walker and Alex Meisner agree to pass the minutes.

### **Citizens Concerns:**

### **Plant Operators Report:**

- We did not meet our 85% removal for matter. There is not enough solid waste in the water coming into the plant.
- Currently looking for the I/I report. Another email out to David Prickett Consulting to follow up with that.
- The plant receives a discharge exceedance letter from the Environmental Protection Association.
- DEP and EPA may eventually make a stop to the plant.

### **Billing Discussion For the Plant:**

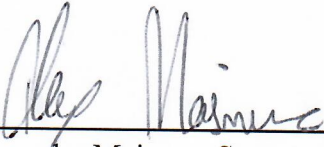

- Everett would like to meet with Meisner to send some information out to the billing people.
- Everett brings up billing discrepancies in the spreadsheet.
- Formula for sewer billing non metered needs to be researched. We have to come up with a formula.

### **Interviews for the Chief Operator Position:**

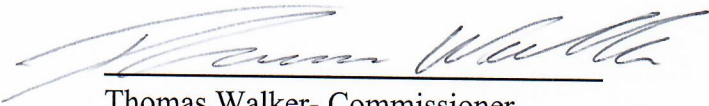

- Walker will get a hold of the candidates on Wednesday to set up a date for candidate interviews. He will let us know what dates work for the candidates.
- Advertisement for part-time plant operators is recommended.
- Meisner will meet with the town administrator to talk about this.

### **Topics not Anticipated:**

- Sewer Plant dissolution
- Putting the plant on the tax base
