

**Sewer Commission Meeting
11/19/2020**

Attendance

Alex Meisner- Commissioner

Dan Gray- Commissioner

Isaac Golding- Superintendent (called in)

Call to order- Meeting called to order at 4:06 PM

Review of Previous Minutes- A review of the 10/20/2020 minutes and the 11/13/202 minutes were motioned by Meisner, seconded by Dan. Passes unanimously. Rob Leighton absent.

Abatements- Brittany Turner, a resident on Maple St. is wondering why she has 3 bills for her sewer usage. The issue was also brought up to Melissa who will respond to this. No formal abatement has been filled out.

Interview and reviewing applications-

There are many applications... but one application has the right licensing to work at a wastewater plant. Dan would like to know if we can get an opinion from the DEP if a part time operator must have a wastewater license to work down at the plant with or without Isaac.

- A law and opinion will be searched regarding whether someone needs a license or not.

DEP Meeting preparation-

Meisner has met with Andrea and we will be meeting collectively as a commission to meet with.

November 24th, 2020 at 1:00 PM is the conference with them. The commission, our town administrator, and our superintendent is on board to attend this meeting. There are potential grant possibilities in the future.

Plant Operator Report-

- Isaac has been working with Andrea to get the bidding squared away.
- Plant is running fine right now.
- With all the rain we had recently, Isaac had to open up both aerators and the plant took this fine.
- Isaac has not been working as much lately for overtime but there are just some days where you can't get everything done.
- Isaac followup on rate of pay and job competency.

Any topics not anticipated-

- There have been questions regarding the Moody Center's intentions with building property. Since no official papers or permits have been filed in regards to this, there is no cause for concern for the sewer right now.

Future Agenda Items-

Application and laws regarding checking on correct plant licensing.

DEP meeting and enforcement

Adjourn- Meeting adjourned at 5:06 PM

Alexander Meisner

Dan Gray

Robert Leighton
