The meeting opened at 7:05

OSRP Review:

Survey – Julia reported that we have received almost 110 survey responses so far: 57 on paper and 52 online.

Maps – the committee started by reviewing FRCOG's version of the Scenic Resources and Unique Environments map. We made a few changes, then moved to the Scenic Resources and Unique Environments table in Section 4. We reviewed this line by line, attempting to fill in blank cells with local knowledge. We also reviewed Water Resources, Open Space, and several other maps.

Section 3 – FRCOG has sent around the final version for us to review.

Section 4 – FRCOG is still working on this: for example, the Scenic Resources Table, and looking into scenic road designation from zoning bylaw revision. *Julia will reach out to Joan and/or the Historic Commission for several updates to incorporate.*

Section 5 – FRCOG will email first draft of tables.

The meeting was adjourned at 9:15.

Respectfully submitted,

Julia Blyth, Chair
