Agenda

The Committee will keep moving on the next design stage. Members of the Town Historical Commission and the Friends of Schell Bridge organization have been invited to contribute to the conversation. We will focus on the key points that people would like to see conveyed by the signage and other materials that will accompany the bridge reconstruction. In addition we have a small amount of housekeeping to do = do we want to add any additional members? Do we want to rotate our chair and secretary roles? Any other agenda items?
