** Your social security number will be furnished to the Massachusetts Department of Revenue to determine whether you have met tax filing or tax payment obligations. Licensees who fail to correct their non-filing or delinquency will be subject to license suspension or revocation. This request is made under the authority of Massachusetts General Law, Chapter 62C, Section 49A.

It is your responsibility to make certain you have obtained any necessary permits needed to conduct a business, such as a zoning permit or variance, building permit, sign permit, road cut permit, Board of Health permits, or any other permits required.

This Business Certificate DOES NOT authorize you to conduct a business, it only records the name of a business, the location of the business and the name and residence of the person(s) conducting the business.

“A certificate issued in accordance with this section shall be in force and effect for four (4) years from the date of issue and shall be renewed each four years thereafter so long as said business shall be conducted and shall lapse and be void unless renewed. If you cease conducting business before that date, the law requires that you contact the Town Clerk and file a withdrawal certificate. Violations of this section shall be punished by a fine of not more than three hundred dollars for each month during which such violation continues.”
