### **FY 2010 ANNUAL TOWN MEETING WARRANT**

May 4, 2009 – 7:00 p.m.  
Pioneer Valley Regional School  
97 F. Sumner Turner Road  
Northfield, Massachusetts

**Town of Northfield  
Notes from the Moderator**

**WELCOME TO TOWN MEETING**

**Some Frequently Used Rules and Procedures:**

**Rules of Debate**

We have used the following rules of debate for several years:

1. All motions need to be in writing and given to the Town Clerk when presented.
2. The person responsible for the article may make the first motion.
3. Speakers may not speak for more than ten minutes at a time.
4. These rules may be waived by the Moderator or the voters by a 2/3 vote.

**Motions**

The sponsor of the article may make the first motion. The motion must be within the scope of the article printed in the warrant. After the motion is seconded, substitute motions and amendments may be offered.

**Discussion of Articles**

Persons wishing to speak should raise their hand until recognized by the Moderator. They should begin remarks by stating their name and address.

**Point of Order**

Point of order is used to raise procedural questions only. It may be used at any time. It may interrupt the speaker, requires no second and is debatable.

**To Stop Debate**

Debate may be stopped by the Moderator or a motion by a voter. The motion should be "I move the previous question," or words to that effect. The Moderator may or may not accept the motion which requires a 2/3 vote.

**Questioning the Vote:**

When 7 voters question the Moderator's call on an uncounted vote, a counted vote shall be taken.

**Motion to Reconsider or Rescind**

Whether to accept a motion to reconsider or rescind is a judgment call by the Moderator. I have not accepted these motions unless new compelling circumstances seem to justify a departure from the accepted practice. There has been only one reconsideration in the past 8 years.

**Authority**

I am guided by the guidelines contained in the most current issue of Town Meeting Time, a handbook of parliamentary law by the Massachusetts Moderators Association. However, I reserve the right to make final judgment on all issues not specifically provided for by state law or town bylaw.

- One member of the Historical Commission as designated by the Commission

- One member of the Planning Board as designated by the Board
- One member of the Recreation Commission as designated by the Commission
- One member of the Open Space Committee as designated by the Committee
- One member of the Finance Committee as designated by the Committee
- One member to act in the capacity of, or perform like duties of, a member of a Housing Authority; this member is to be appointed by the Selectboard
- Two community-at-large members to be appointed by the Selectboard

The term for appointed and designated CPC members shall begin on July 1, 2009, or the effective date of this bylaw, whichever is later and shall end on June 30, 2010. Thereafter, each member of the CPC shall serve for a term of one year or until the person no longer serves in the position or on the board or committee as set forth above, whichever is earlier.

Should any of the commissions, boards, or committees who have appointing authority under this bylaw be no longer in existence for whatever reason, the appointing authority for that commission, board, or committee shall become the responsibility of the Selectboard.

## 2. Duties

The CPC shall study the needs, possibilities, and resources of the town regarding community preservation. The committee shall consult with existing municipal boards and committees, including those having representatives on the CPC, or persons acting in those capacities or performing like duties, in conducting such studies. As part of its study, the committee shall hold one or more public informational hearings each calendar year on the needs, possibilities, and resources of the town regarding community preservation possibilities and resources, notice of which shall be posted publicly and published for each of two weeks preceding a hearing in a newspaper of general circulation in the town.

## 3. Recommendations to the Town

In accordance with M.G.L. Chapter 44B, Section 5, the CPC shall make recommendations to the Town Meeting for the acquisition, creation, and preservation of open space; for the acquisition, preservation, rehabilitation, and restoration of historic resources; for the acquisition, creation, and preservation of land for recreational use; for the acquisition, creation, preservation, and support of community housing; and for the rehabilitation or restoration of open space, land for recreational use, and community housing that is acquired or created as provided in this section. With respect to community housing, the CPC shall recommend, wherever possible, the reuse of existing buildings or construction of new buildings on previously developed sites. The terms of this section are correspondingly adjusted to the terms of any successor to M.G.L. Chapter 44B, Section 5.

## 4. Set Aside Recommendations

The CPC may include in its recommendation to the Town Meeting a recommendation to set aside for later spending funds for specific purposes that are consistent with community preservation but for which sufficient revenues are not then available in the Community Preservation Fund to accomplish that specific purpose or to set aside for later spending funds for general purposes that are consistent with community preservation.

## 5. Annual Revenues; Open Space, Historic Resources and Community Housing

In every fiscal year, the CPC must recommend either that the Town Meeting spend, or set aside for later spending, not less than 10% of the annual revenues in the Community Preservation Fund for open space (not including land for recreational use), not less than 10% of the annual revenues in the Community Preservation Fund for historic resources; and not less than 10% of the annual revenues in the Community Preservation Fund for community housing.

## 6. Requirement for a Quorum and Cost Estimates

The CPC shall not meet or conduct business without the presence of a quorum. A majority of the members of the CPC shall constitute a quorum. The CPC shall approve its actions by majority vote of the entire membership. Recommendations to the Town Meeting shall include their anticipated costs.

## 7. Amendments

The CPC shall, from time to time, review the administration of this bylaw, making recommendations, as needed, for changes in the bylaw and in administrative practice to improve the operations of the CPC. The first review shall be completed no later than January 1, 2012, and subsequent reviews shall be completed in no more than five-year intervals.

This bylaw may be amended from time to time by a majority vote of the Town Meeting, consistent with the provisions of M.G.L. Chapter 44B.

## 8. Severability.

In case any section, paragraph or part of this bylaw is for any reason declared invalid or unconstitutional by any court, every other section, paragraph or part shall continue in full force and effect.

## 9. Effective Date

This bylaw shall take effect upon approval by the Attorney General of the Commonwealth and after all requirements of M.G.L. Chapter 40, Section 32 have been met. Each appointing authority shall have thirty (30) days after the effective date to make its appointments.

### QUESTION 1:

Shall this Town amend its acceptance of sections 3 to 7, inclusive of chapter 44B of the General Laws, as approved by its legislative body?

### SUMMARY

This question involves amendment of the Town's acceptance of G.L. c.44B, §§3-7, also known as the Community Preservation Act (the "Act"), by decreasing the surcharge imposed on real property from three percent (3%) to ½ percent (.05 %) of the tax levy, as determined annually by the Board of Assessors.

The Act establishes a dedicated funding source to acquire, create and preserve open space and land for recreational use; acquire, preserve, rehabilitate and restore historic resources; create, preserve and support community housing; and to rehabilitate and restore open space, land for recreational use and community housing that is acquired or created in accordance with the Act. The following exemptions from such surcharge, permitted under Section 3(e) of said Act,

apply: (1) \$100,000 of the value of each taxable parcel of residential real property; and, upon application and a determination of eligibility, (2) property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the Town. A taxpayer receiving a regular property tax abatement or exemption will also receive a pro rata reduction in surcharge.

As approved by the voters at the 2008 State Election, the surcharge was initially fixed at three percent (3%) of the annual property tax assessed on real property. On a motion made under Article 2 of the March 26, 2009 Special Town Meeting, it was voted to decrease the surcharge to ½ percent (.05 %). If approved, the reduced surcharge would be imposed on taxes assessed for fiscal years beginning July 1, 2009.

The polls will open at 12:00 o'clock (noon) and close at eight p.m.
